1. Subscription and Fees

The Customer subscribes to the Provider's platform for an annual fee of USD 2,400, invoiced in advance to the account IBAN SE35 5000 0000 0549 1000 0003 designated by the Provider. All fees are non-refundable.

2. Term and Renewal

3. Price Changes

The Provider may increase the fees by up to 30% at each renewal by giving the Customer 15 days notice.

4. Changes to These Terms

The Provider may change these Terms or the service at any time. Continued use of the service after a change counts as acceptance of the change.

5. Customer Data

The Customer grants the Provider a perpetual, worldwide, irrevocable licence to use, copy and analyse all data uploaded to the service, including for training machine learning models and for sharing with the Provider's partners.

6. Availability

The service is provided "as is" and "as available". The Provider gives no guarantee of uptime, performance or data retention, and is not liable for any loss of data.

The Provider may suspend the service at any time and may terminate this Agreement for convenience with 7 days notice, without any refund. The Customer may terminate only at the end of the current term.

8. Limitation of Liability

The Provider's total liability is limited to the fees paid by the Customer in the month preceding the claim, and the Provider is not liable for indirect or consequential loss. The Customer shall indemnify the Provider against all claims, losses and costs arising from the Customer's use of the service, without limit.

9. Dispute Resolution

Any dispute shall be settled by binding arbitration in Delaware under the rules chosen by the Provider. The Customer waives the right to bring or join any class action.

10. Governing Law
These Terms are governed by the laws of the State of Delaware, without regard to conflict of law rules.

11. Entire Agreement
These Terms are the entire agreement between the parties and replace all earlier agreements on the same subject.
